

Chapter 7 : Summary

Jim and Ben Gun walked through the island and saw the fort. Jim was worried that the pirates might be inside, but Ben told him the flag showed it was safe. Ben did not want to go into the fort because he didn't trust people. He told Jim to remember that he could help and to find him again the next day. Jim saw the pirate flag on the *Hispaniola*, so he hid until it was safe to go to the fort.

سار جيم وبن غَن عبر الجزيرة ورأيا الحصن. كان جيم قلقًا من أن القراصنة قد يكونوا في الداخل، لكن بن أخبره أن العَلَم يُظهر أن المكان آمن. لم يرغب بن في دخول الحصن لأنه لم يكن يثق في الناس. وقال لجيم أن يتذكر أنه يستطيع مساعدته وأن يأتي إليه في اليوم التالي. رأى جيم عَلَم القراصنة على متن السفينة *هيسبانيولا* ، لذلك اختبأ حتى أصبح من الآمن الذهاب إلى الحصن.

When Jim arrived, Dr Livesy let him in, and he told everyone what had happened. Life in the fort was hard because of the wind and smoke, but Captain Smollett gave everyone jobs to keep busy. They talked about Ben Gun and decided to give him some cheese as a reward. Food was running low, and they hoped the pirates would leave the island. The doctor said the pirates could get sick if they stayed outside too long.

عندما وصل جيم، سمح له الدكتور ليفزي بالدخول، وأخبر الجميع بما حدث. كانت الحياة في الحصن صعبة بسبب الرياح والدخان، لكن الكابتن سموليت أعطى كل شخص عملاً ليبقى مشغولاً. تحدثوا عن بن غَن وقرروا إعطاءه بعض الجبن كمكافأة. كان الطعام ينفد، وكانوا يأملون أن يغادر القراصنة الجزيرة. قال الطبيب إن القراصنة قد يمرضون إذا بقوا في الخارج لفترة طويلة.

The next morning, John Silver came to the fort with a white flag, asking for peace. Captain Smollett did not trust him and made the men watch carefully. Silver offered to take the others home safely if they gave him the treasure map. Captain Smollett refused and said he would only take them as prisoners back to England. Silver became angry and left, and the captain told his men to get ready, because the pirates would soon attack.

في صباح اليوم التالي، جاء جون سيلفر إلى الحصن وهو يحمل علماً أبيض، طالبًا السلام. لم يثق به الكابتن سموليت وطلب من الرجال أن يراقبوه بعناية. عرض سيلفر أن يأخذ الآخرين إلى الوطن بأمان إذا أعطوه خريطة الكنز. رفض الكابتن سموليت وقال إنه سيأخذهم فقط كأسرى إلى إنجلترا. غضب سيلفر وغادر، وأخبر الكابتن رجاله بأن يستعدوا، لأن القراصنة سيهاجمون قريبًا.

Answer the following questions

1. In your opinion, why did Jim think it might be dangerous to enter the fort?
- Because he thought pirates might be inside.

2. How do you think Ben Gun knew it was safe to approach the fort?
- He saw the flag and believed it meant good men were inside.

3. Why do you think Ben Gun couldn't trust anyone in the fort?
- Because he had been alone for a long time and didn't trust people anymore.

4. Why do you think Jim hid before going to the fort?
- Because he saw the pirate flag on the Hispaniola and heard gunfire.

5. Why do you think Captain Smollett gave everyone jobs?

- To keep them busy and lift their spirits.

6. In your opinion, why did Dr. Livesey say Ben Gun was “a little crazy”?

- Because he had lived alone on the island for three years.

7. Why do you think Silver came with a white flag?

- To ask for a truce and make a deal.

8. Why do you think Captain didn’t Smollett trust Silver’s offer?

- Because he thought it was a trick and didn’t trust pirates.

9. Why do you think Silver spoke loudly when offering the deal?

- So everyone in the fort could hear and possibly agree with him.

10. How did Captain Smollett plan to respond to Silver’s threats?

- He planned to defend the fort and believed they could win the fight.

Chapter 8 : Summary

The captain gave everyone jobs to protect the fort. They knew the pirates would attack from the north, so they watched that area closely. When the pirates came, there was a lot of shooting, but at first, no one was hurt. Then, some pirates climbed the fence and entered the fort. Our men fought bravely, and in the end, the pirates were pushed back, but Joyce and Hunter were killed, and the captain was hurt.

أعطى القبطان كل شخص مهمة لحماية الحصن. كانوا يعلمون أن القراصنة سيهاجمون من الشمال، لذلك راقبوا تلك المنطقة جيدًا. عندما جاء القراصنة، كان هناك إطلاق نار كثير، لكن في البداية لم يُصب أحد. بعد ذلك، تسلّق بعض القراصنة السور ودخلوا الحصن. قاتل رجالنا بشجاعة، وفي النهاية تم طرد القراصنة، لكن جويس وهانتر قُتلا، وأُصيب القبطان.

After the fight, the pirates did not return, and everyone rested. Doctor Livesy said Captain Smollett would get better if he stayed quiet. In the afternoon, the doctor took a map and a gun and left the fort. Jim thought he was going to visit Ben Gunn. Jim also wanted to leave the hot fort, so he quietly took some food and a gun and went to find Ben’s small boat.

بعد القتال، لم يعد القراصنة، واستراح الجميع. قال الطبيب ليفسي إن القبطان سموليت سيتعافى إذا بقي هادئًا. في فترة الظهيرة، أخذ الطبيب خريطة وبندقية وغادر الحصن. ظن جيم أنه ذاهب لزيارة بن غَن. كما أراد جيم مغادرة الحصن الحار، فأخذ بعض الطعام وبندقية بهدوء وذهب ليبحث عن قارب بن الصغير.

Jim walked across the island and finally found the boat near a white rock. It was small and badly made, but fast. He planned to go to the Hispaniola at night and cut the rope holding it. When he got there, he heard two pirates fighting on the ship. After cutting the rope, the wind carried both the ship and Jim’s boat out to sea. Jim slept in the boat, and the next morning he found himself on the southwest side of the island, near a place called Cape of Woods.

مشى جيم عبر الجزيرة وأخيرًا وجد القارب بالقرب من صخرة بيضاء. كان صغيرًا ومصنوعًا بشكل سيء، لكنه سريع. كان يخطط للذهاب إلى السفينة "هيسبانيولا" ليلاً وقطع الحبل الذي يمسك بها. عندما وصل إلى هناك، سمع قراصنة يتشاجرون على السفينة. بعد قطع الحبل، حمله الرياح مع السفينة خارج البحر. نام جيم في القارب، وفي الصباح وجد نفسه على الجانب الجنوبي الغربي من الجزيرة، بالقرب من مكان يسمى "رأس الأشجار".

Answer the following questions

1. Why did Captain Smollett place each man in a specific position around the fort?
- To protect all sides and prepare for a possible attack.

2. Why do you think the north side of the fort was the main target for the pirates?
- Because it was likely the weakest or easiest to reach.

3. Why do you think the pirates fired from all directions at first?
- To confuse the defenders and distract them before the main attack.

4. How do you think the defenders knew where the pirates would attack the most?
- By counting how many guns fired from each direction.

5. From the doctor's point of view, why did he stay calm and follow orders?
- Because he trusted Captain Smollett's leadership and strategy.

6. Why do you think Captain Smollett stayed inside even though he was injured?
- Because he still wanted to lead and believed they could win.

7. Why do you think Gray might have risked his life to save Jim?
- Because they were a team and he cared about protecting others.

8. What does Jim's decision to leave the fort without telling anyone say about his character?
- He is brave and wants to help, but also acts impulsively.

9. Why do you think the doctor took the map and left the fort?
- He likely had a secret plan to help them win, possibly involving Ben Gun.

10. Why do you think Jim cut the Hispaniola's anchor rope?
- To stop the pirates from using the ship easily.

Chapter 9 : Summary

Jim found himself on the *Hispaniola* after he cut the anchor rope, and he realized that no one was sailing the ship. He climbed aboard and found two pirates—Hands and another man—who was weak and asked for water. Jim gave Hands water and food, then decided to take control of the ship. He convinced Hands that he was now the captain and planned to sail the ship north. Hands agreed to help him, and Jim learned how to sail the ship while he kept an eye on Hands, who seemed to be planning something.

وجد جيم نفسه على متن السفينة "هيسبانيولا" بعد أن قطع حبل المرساة، وأدرك أن لا أحد يقود السفينة. صعد على متنها ووجد قرصانين – هاندز ورجل آخر – كان ضعيفًا ويطلب الماء. أعطى جيم هاندز ماءً وطعامًا، ثم قرر أن يتولى قيادة السفينة. أقنع هاندز بأنه أصبح القبطان الآن، وخطط للإبحار بالسفينة نحو الشمال. وافق هاندز على مساعدته، وتعلم جيم كيفية الإبحار بينما كان يراقب هاندز الذي بدا وكأنه يخطط لشيء ما.

As they approached the north side of the island, Jim became suspicious of Hands and decided to secretly observe him. He discovered that Hands was not as hurt as he appeared and had hidden a knife. Jim tricked Hands into thinking he had gone downstairs to fetch more water, but instead, he sneaked around the ship to watch Hands' movements. When Jim returned, Hands tried to take control, but Jim was ready to defend himself. He managed to keep Hands at bay and sailed the ship to a beach near the island.

عندما اقتربوا من الجانب الشمالي للجزيرة، بدأ جيم يشك في أمر هاندز وقرر مراقبته سرًا. اكتشف أن هاندز لم يكن مصابًا كما بدا، وكان قد خبأ سكينًا. خدع جيم هاندز وجعله يعتقد أنه نزل إلى الأسفل ليجلب المزيد من الماء، لكنه تسلل حول السفينة ليراقب تحركاته. وعندما عاد، حاول هاندز السيطرة على الوضع، لكن جيم كان مستعدًا للدفاع عن نفسه. تمكن من إبقاء هاندز بعيدًا، وأبحر بالسفينة نحو شاطئ قريب من الجزيرة.

Once on the beach, Jim was confronted by Hands with a knife, and they struggled. Jim tried to use his gun, but it didn't work because it was wet. Hands attacked, threw the knife at Jim, and it hit him in the shoulder. In the chaos, Jim's gun accidentally fired, and Hands fell into the sea, never to be seen again. Jim bandaged his wound, took down the sails, and left the ship, walking onto the sand alone as night fell.

وعلى الشاطئ، واجه هاندز جيم بسكين، واشتبكا في صراع. حاول جيم استخدام مسدسه، لكنه لم يعمل لأنه كان مبللًا. هاجمه هاندز وألقى عليه السكين فأصابه في كتفه. وسط الفوضى، انطلقت رصاصة من مسدس جيم بالخطأ، وسقط هاندز في البحر، ولم يُرَ مرة أخرى. ضمد جيم جرحه، وأنزل الأشرعة، وغادر السفينة، ماشيًا على الرمال وحده مع غروب الليل.

Answer the following questions

1. Why do you think the Hispaniola's strange movement was important?
- It showed no one was sailing it, giving him a chance to take it.

2. Why was it risky for Jim to approach the Hispaniola in the small boat?
- Because the wind and waves were strong and the ship could kill him.

3. Why do you think Jim called himself "Captain" when speaking to Hands?
- To show he was in control of the ship now.

4. How did Hands use persuasion to make Jim trust him?
- He offered help sailing the ship in exchange for food and water.

5. Why do you think Jim pretended to go downstairs but stayed quiet instead?
- He wanted to spy on Hands to learn his true intentions.

6. Why do you think Hands tried to attack Jim after pretending to be weak?
- He was waiting for the right moment to take back control.

7. Why was Jim's gun useless at first, and what lesson did he learn?
- It was wet from the journey; he learned to prepare better.

8. How did the sudden wave change the situation during their fight?
- It knocked both of them down, giving Jim a chance to escape.

9. How did Hands try one last time to win, even after giving up?
- By throwing a knife at Jim unexpectedly.

What does Jim's decision to repair his gun after climbing the mast show about his character?
- It shows that he was determined to protect himself and stay in control of the situation.

Chapter 10 : Summary

Jim returned to the island and was relieved to see that the ship was safe from the pirates. As he walked back toward the fort, he noticed a fire and realized something was wrong. When he entered the fort, he found it full of pirates, including Long John Silver. Silver greeted Jim and told him that the pirates wanted him to join them, as they believed he had left his friends. Jim learned that his friends were alive but no longer trusted him, and Silver pressured him to decide whether to join the pirates or not.

عاد جيم إلى الجزيرة وشعر بالارتياح عندما رأى أن السفينة كانت آمنة من القراصنة. وبينما كان يسير عائدًا نحو الحصن، لاحظ نارًا وأدرك أن هناك شيئًا غير طبيعي. وعندما دخل الحصن، وجده مليئًا بالقراصنة، ومن بينهم لونغ جون سيلفر. رحّب سيلفر بجيم وأخبره أن القراصنة يريدونه أن ينضم إليهم، لأنهم يعتقدون أنه قد تخلّى عن أصدقائه. علم جيم أن أصدقاءه ما زالوا على قيد الحياة، لكنهم لم يعودوا يثقون به، وبدأ سيلفر يضغط عليه ليقرر ما إذا كان سينضم إلى القراصنة أم لا.

Silver revealed that he had betrayed Jim's crew by cutting the ship’s anchor ropes and hiding the *Hispaniola*. He also admitted to knowing Jim's plans and informed him that the doctor and his men had taken control of the fort. As the pirates argued among themselves, Jim realized Silver might need his help. Silver warned Jim that the pirates were angry with him but offered to protect him if Jim helped him in return. Jim agreed to assist Silver, even though he was shocked by Silver's desire for help from a boy.

كشف سيلفر أنه قد خان طاقم جيم بقطع حبال مرساة السفينة وإخفاء "الهيسبانيولا". كما اعترف بأنه كان على علم بخطط جيم، وأخبره أن الطبيب ورجاله قد استولوا على الحصن. وأثناء جدال القراصنة فيما بينهم، أدرك جيم أن سيلفر قد يحتاج إلى مساعدته. حذّر سيلفر جيم من أن القراصنة غاضبون منه، لكنه عرض عليه الحماية إذا ساعده بالمقابل. وافق جيم على مساعدة سيلفر، رغم أنه شعر بالصدمة من رغبة سيلفر في طلب المساعدة من صبي.

Silver told Jim about the pirates’ changing loyalties and his uncertainty about what would happen next. Jim observed the pirates preparing something outside, and Silver seemed resigned to his fate. Jim warned Silver of their approach, and Silver remained calm, ready for whatever came next. Jim continued to feel torn between helping Silver and staying loyal to his friends. The story ended with Jim unsure of what the future held but determined to do what he could.

أخبر سيلفر جيم عن تغيّر ولاءات القراصنة، وعن عدم يقينه مما قد يحدث لاحقًا. راقب جيم القراصنة وهم يستعدون لأمر ما في الخارج، وبدا أن سيلفر قد استسلم لمصيره. حذّر جيم سيلفر من اقترابهم، وظل سيلفر هادئًا، مستعدًا لما سيأتي. استمر جيم في الشعور بالحيرة بين مساعدة سيلفر والبقاء وفيًا لأصدقائه. وانتهت القصة وجيم غير متأكد مما يحمله له المستقبل، لكنه كان عازمًا على أن يفعل ما يستطيع.

Answer the following questions

1. Why was Jim Hawkins concerned about entering the fort?

- Jim was worried that his friends might think he was a pirate.

2. What was Jim's first reaction upon hearing Long John Silver's voice?

- Jim was terrified and wanted to escape, but he ran into someone and got trapped.

3. Why do you think Jim was surprised when Silver asked for his help?
- Because Silver, the leader of the pirates, needs help from a boy, which is unexpected.
4. Why do you think Jim didn't feel confident about Silver's offer?
- Because Silver offered to protect him, but he had betrayed his friends before.
5. What was the reaction of the other pirates when they heard Jim was with Silver?
- Some of the pirates expressed their dislike for Silver's rules and began to plot against him.
6. Why do you think Jim was unsure about joining the pirates?
- Jim is torn between staying loyal to his friends and the need to stay safe by joining Silver.
7. What does Silver mean by "I can look after you, if you look after me"?
- Silver was offering a deal where both he and Jim could help each other to stay safe.
8. How do you think Jim felt when he heard his friends were alive? Why?
- Jim felt happy because his friends were safe, this gave him hope.
9. How did the fight between Silver and the pirates affect Jim?
- The fight gave Jim a chance to side with Silver, who was now weak.
10. What did Jim's choice to help Silver show about him?
- It showed Jim was practical although it wasn't the right thing to do.

Chapter 11 : Summary

The pirates came into the fort, and one of them gave Silver a paper. It said Silver was not the captain anymore. George explained the reasons why they wanted a new leader, but Silver defended himself. He showed them Flint's treasure map, which surprised everyone. Because of this, the pirates decided to let Silver stay as captain, and they celebrated while George had to guard the fort.

دخل القراصنة الحصن، وكان أحدهم يحمل ورقة أعطاها لسيلفر. كانت تقول إن سيلفر لم يعد القبطان. شرح جورج الأسباب التي جعلتهم يريدون قائدًا جديدًا، لكن سيلفر دافع عن نفسه. أراهم خريطة كنز فلينت، مما فاجأ الجميع. وبسبب ذلك، قرر القراصنة أن يظل سيلفر هو القبطان، واحتفلوا بينما اضطر جورج إلى حراسة الحصن.

The next morning, Dr Livesy arrived at the fort. Silver welcomed him kindly and let him see the sick pirates. The doctor treated them and joked that he was now their doctor until they went back to England for trial. He wanted to talk to Jim, but Silver only agreed if Jim promised not to run away. Silver let them talk through a window, while the other pirates were still unsure about trusting the doctor.

في صباح اليوم التالي، وصل الدكتور ليفسي إلى الحصن. رحّب به سيلفر بلطف وسمح له برؤية القراصنة المرضى. عالجهم الطبيب مازحًا بأنه أصبح الآن طبيبهم حتى يعودوا إلى إنجلترا للمحاكمة. أراد التحدث إلى جيم، لكن سيلفر وافق فقط إذا وعد جيم بعدم الهرب. سمح لهم سيلفر بالتحدث من خلال النافذة، بينما ظل القراصنة الآخرون غير واثقين من الطبيب.

When they were alone, Jim told the doctor he was sorry for leaving. He explained how Silver saved his life and that he now had the ship hidden on the north side of the island. The doctor was surprised and praised Jim for his bravery. The doctor warned Silver not to search for the treasure, but Silver said it was the only way to stay safe. Silver told Jim to stay close, and they prepared to look for the treasure together.

عندما كانا وحدهما، أخبر جيم الطبيب أنه يأسف لأنه تركهم. شرح له كيف أنقذ سيلفر حياته، وأن السفينة الآن مخبأة في شمال الجزيرة. تفاجأ الطبيب ومدح جيم على شجاعته. حذّر الطبيب سيلفر من البحث عن الكنز، لكن سيلفر قال إن ذلك هو السبيل الوحيد للبقاء آمنًا. قال سيلفر لجيم أن يبقى قريبًا منه، واستعدا للبحث عن الكنز معًا.

Answer the following questions

1. Why do you think the pirates didn't trust Silver as a Captain?
- Because Silver's plans failed, he let Trelawney leave, and he wouldn't let the pirates follow them.

2. How do you think Silver could convince the pirates that he should still be captain?
- He showed them the treasure map which showed that they could get the treasure.

3. What do you think Dr. Livesy wanted to do when he entered the fort?
- Dr. Livesy wanted to see the sick pirates.

4. Why did Silver only allow Dr. Livesy to speak with Jim through the window?
- To keep the conversation secret from the other pirates.

5. What do you think Jim told Dr. Livesy he would stay with Silver?
- Jim said Silver saved him and that he had to stay to protect himself.

6. Why did the pirates agree that Silver should remain captain?
- Because Silver convinced them that he was still the best person to find the treasure.

7. What did Jim think about Silver's ability to stay in control?
- Jim thought Silver was clever and knew how to stay in control by making the pirates believe he was on their side.

8. Jim felt worried when he heard Dr. Livesy's voice. Discuss.
- Jim felt worried about what that he would think he was now working for Silver.

9. How did Jim feel about leaving his friends and joining the pirates?
- Jim felt bad about leaving his friends, and he cried because he realized he made a mistake.

10. Why do you think Silver decided to keep searching for the treasure?
Because finding the treasure was the only way to save both his and Jim's lives.

Chapter 12 : Summary

Silver told the pirates that the doctor's men had the ship, but they would find it after finding the treasure. The pirates were happy, but Jim was worried about what Silver was really planning. They left the fort and followed the treasure map through the island. On the way, they saw a skeleton and heard a scary voice, which made the pirates nervous. When they reached the place marked on the map, they found an empty hole — the treasure was gone.

أخبر سيلفر القراصنة أن رجال الطبيب يملكون السفينة، لكنهم سيجدونها بعد العثور على الكنز. شعر القراصنة بالسعادة، لكن جيم كان قلقًا بشأن ما يخطط له سيلفر حقًا. غادروا الحصن وتبعوا خريطة الكنز عبر الجزيرة. في الطريق، رأوا هيكلًا عظميًا وسمعوا صوتًا مخيفًا، مما جعل القراصنة يشعرون بالتوتر. وعندما وصلوا إلى المكان المحدد على الخريطة، وجدوا حفرة فارغة ـــ لقد اختفى الكنز.

The pirates were angry, and George shouted at Silver. Suddenly, gunshots came from the trees, and some pirates fell while others ran away. Dr Livesy, Gray, and Ben Gun appeared and saved Jim and Silver. Ben Gun had already taken the treasure and hidden it in a cave before the pirates arrived. The doctor had given Silver the map because it was useless, and he planned to trap the pirates at the treasure hole.

غضب القراصنة، وبدأ جورج يصرخ في وجه سيلفر. وفجأة، انطلقت طلقات نارية من بين الأشجار، فسقط بعض القراصنة وهرب الآخرون. ظهر الدكتور ليفسي وغراي وبن غن وأنقذوا جيم وسيلفر. كان بن غن قد أخذ الكنز بالفعل وأخفاه في كهف قبل وصول القراصنة. وكان الطبيب قد أعطى سيلفر الخريطة لأنها لم تعد ذات فائدة، وكان يخطط للإيقاع بالقراصنة عند موقع الكنز.

They returned to the coast and saw the Hispaniola floating on the sea. Gray got on board to guard it, and the others went to Ben Gun's cave, where they found Captain Smollett and the treasure. They spent days carrying the treasure down to the boat. They left food for the three pirates who were still on the island and sailed away. On the way home, Silver escaped with some money, but no one missed him. The treasure changed everyone's lives — Jim now lives comfortably, though he still thinks about Long John Silver.

عادوا إلى الساحل ورأوا سفينة الهيسبانيولا تطفو على البحر. صعد غراي على متنها لحراستها، بينما ذهب الآخرون إلى كهف بن غن، حيث وجدوا الكابتن سموليت والكنز. قضوا عدة أيام وهم ينقلون الكنز إلى السفينة. تركوا طعامًا لثلاثة من القراصنة الذين بقوا على الجزيرة، ثم أبحروا بعيدًا. وفي طريق العودة إلى الوطن، هرب سيلفر ومعه بعض المال، لكن لم يفتقده أحد. لقد غيّر الكنز حياة الجميع — جيم الآن يعيش براحة، رغم أنه لا يزال يفكر في لونغ جون سيلفر.

Answer the following questions

1. Why did Silver want to keep Jim with him before finding the treasure?

- To ensure the pirates didn't turn against him while searching for the treasure.

2. Why do you think Jim was worried about Silver's plans?

- Jim was worried that Silver would help the pirates instead of Dr. Livesy and Mr. Trelawney.

3. Why do you think the pirates felt scared after seeing the skeleton?

- Because they thought it might be a sign or warning from Flint.

4. How do you think Silver calmed the pirates after hearing the voice in the trees?

Silver said the voice was probably Ben Gun, not Flint, which helped them feel less scared.

5. Why did the pirates were angry when they found only one gold coin in the hole?

- Because they expected to find a large amount of treasure, not just one coin.

6. What do you think Ben Gun did to protect the group from the pirates?

- He sang a song to frighten the pirates, giving the doctor and his group time to prepare.

7. Why did Dr. Livesy give the map to Silver even though he knew it was useless?

- To trick him into thinking it was still useful, which Silver focused on searching for the treasure.

8. Why do you think Ben Gun's cave was important?

- Ben Gun's cave held the treasure and supplies, and it was used as a safe place to store the gold while they dealt with the pirates.

9. Why did the group decide to leave the island without the remaining pirates?

- Because it was safer to leave them behind with some food and medicine.

10. How do you think the treasure affected the characters' lives back in England?

- The treasure helped the characters improve their lives, with Captain Smollett retiring, Gray buying a ship, and Ben Gun spending his money quickly.

General Critical Thinking Questions

Answer the following questions

1. What is the main moral of "Treasure Island"?

- Greed can change people: Searching for the treasure leads to betrayal and conflict, which shows how greed can corrupt يفسد people and destroy relationships.
- The struggle between good and evil, showing that people can possess both noble and selfish qualities.
- The main moral is about loyalty and trust, especially in difficult situations.
- Intelligence often wins over physical power. relies on his cleverness and thinking rather than strength to lead the pirates.

2. How does the treasure symbolize يرمز الي greed?

- The treasure symbolizes greed because it causes the pirates to fight, lie, and betray each other, showing that wealth can bring harm.

3. What does the story say about greed?

- The story shows that greed can lead to betrayal and conflict. Many pirates act out of greed, and it harms them in the end.

4. What lesson can we learn about friendship from Jim's experiences?

- We learn that true friends support each other, even in dangerous situations.

5. What does Silver teach about trust?

- Silver teaches that trust can be earned, but also that people may use others for their own benefit.

6. If you were Dr. Livesy, how would you feel about helping the sick pirates?

- I would feel worried but also see it as a chance to save Jim.

7. Why does Jim decide to help Dr. Livesy and not Silver?

- Jim decides to help Dr. Livesy because he knows that Dr. Livesy is kind and wants to protect everyone, while Silver is only interested in the treasure.

8. How does Silver keep his power over the pirates?

- Silver keeps his power by being clever, making promises, and by using threats and tricks when needed.

9. What surprised Jim about Silver's character?

- Jim was surprised that Silver was clever but also very selfish.

10. Why do the pirates initially respect Silver as their captain?

- The pirates respect Silver for his experience and ability as a leader.

11. What do we learn about bravery in the story?

- Bravery is shown by Jim, who faces dangers even though he is scared, and by others like Dr. Livesy, who help in difficult times.

12. If you found Flint's treasure, would you share it with others?

- Yes, I would share it with my friends so that everyone benefits.

13. How does the treasure map lead to problems for the pirates?

- The treasure map leads to confusion and fights. It shows that the pirates are more interested in finding the treasure than working together.

14. Why does Jim feel scared around Silver?

- Jim feels scared because Silver is powerful, clever, and can be dangerous, and Jim also knows Silver is using him.

15. If you were a pirate, would you follow Silver's orders?

- If I were a pirate, I might follow Silver because he is clever and knows how to get things done, but I would also worry about betrayal.

16. How does Dr. Livesy show that he cares for Jim?

- Dr. Livesy cares for Jim by protecting him, talking to him through the window, and helping him escape from dangerous situations.

17. If you were a pirate, would you trust Silver? Why or why not?

- I might be cautious about trusting Silver because he is very clever and selfish.

18. What does the skeleton represent in the story?

- The skeleton represents the danger and death that come with searching for treasure. It warns the pirates of the costs of greed.

19. If you were Jim, would you help Silver or Dr. Livesy?

- If I were Jim, I would help Dr. Livesy because he is kind and trustworthy, while Silver is dangerous and only cares about himself.

20. Why do all the characters want to find the treasure?

- Because they are greedy and hope it will make them rich and powerful.
